

How to apply for AtomWork-Adv with your DICE account

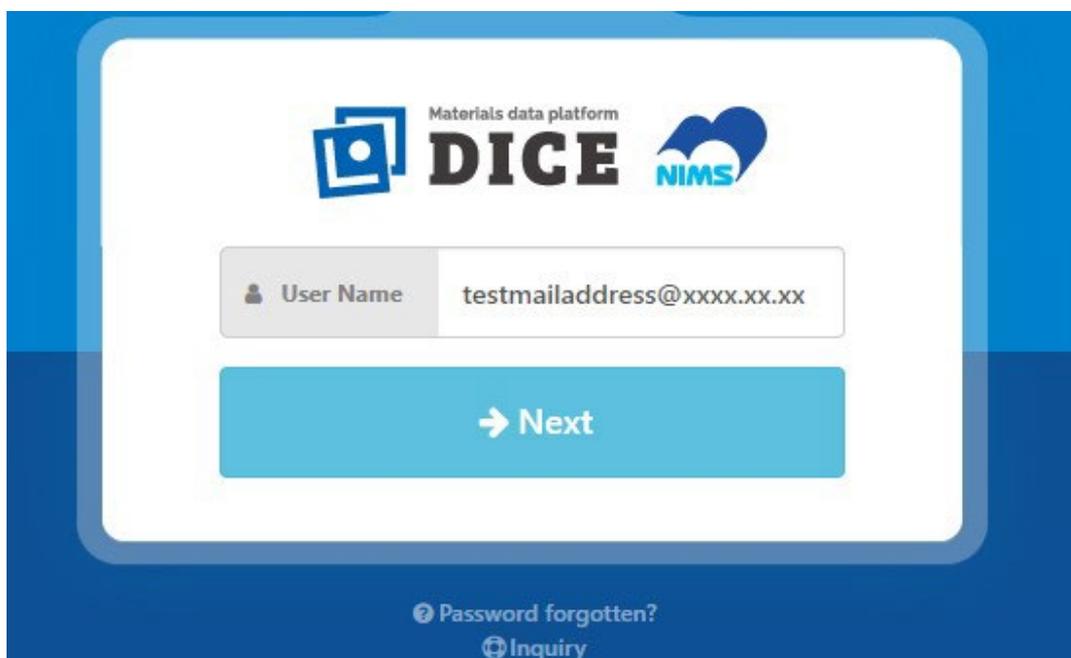

1. Application for using AtomWork-Adv with your DICE account

To use AtomWork-Adv, go to the URL below and follow these instructions.

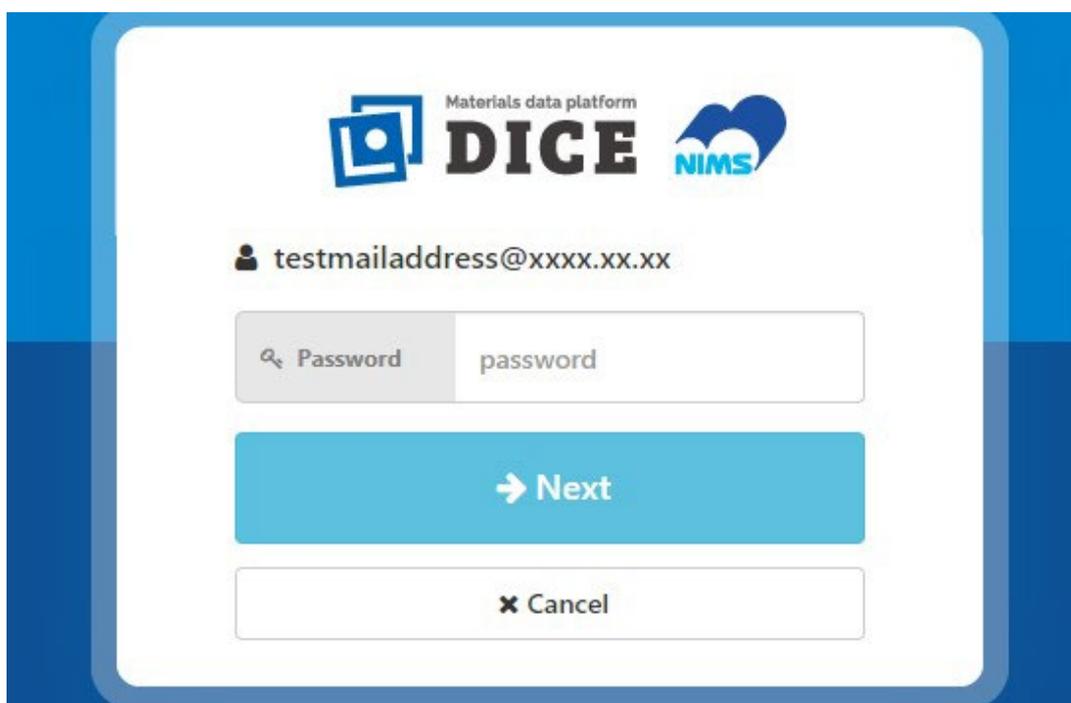

[AtomWork-Adv Usage Application \(https://diceidm.nims.go.jp/csp/csp-user-portal/application/\)](https://diceidm.nims.go.jp/csp/csp-user-portal/application/)

1. Enter your email address

- Enter the email address in the "User Name" field and click "Next".
- Enter the registered password in the "Password" field and click "Next".

The screenshot shows the login interface for the Materials data platform DICE NIMS. At the top, there are logos for DICE and NIMS. Below the logos is a form with a 'User Name' field containing the text 'testmailaddress@xxxx.xx.xx'. A large blue button with a right-pointing arrow and the text 'Next' is positioned below the form. At the bottom of the page, there are two links: 'Password forgotten?' and 'Inquiry'.

The screenshot shows the same login interface as the previous one, but now the 'Password' field is filled with the text 'password'. The 'Next' button is still present, and a new white button with a black 'x' icon and the text 'Cancel' has appeared below the 'Next' button.

2. Log in to the DICE User Portal.

- Click “Applications” on the left side of the DICE User Portal screen, and then click “Application”.

The screenshot shows the DICE User Portal interface. At the top, there is a dark teal header with the DICE logo (Materials data platform) and NIMS logo on the left, and a user profile icon labeled 'User Name' on the right. Below the header is a light teal banner with the text 'DICE User Portal'. A dark teal navigation bar contains several menu items: 'Applications' (which is highlighted with a white arrow), 'Profile', 'Password', 'MFA (OTP)', and 'Unsubscribe'. Below the navigation bar, the main content area is titled 'Applications' and includes a button for 'Identity Proofing Status'. A table with three columns is visible: 'Application name', 'Status', and 'Operation'. The first row of the table shows 'DICE Application usage' with a gear icon and an information icon, and a green 'Application' button in the 'Operation' column. At the bottom of the page, there is a footer with copyright information: '@ 2020 National Institute for Materials Science: DICE is the materials data platform operated by the National Institute for Materials Science. Please visit us regarding our privacy policy, https://dice.nims.go.jp, Contact <dice_help@nims.go.jp>.'

3. Create your request

- Click “Request Create” in the “Action” section.

The screenshot shows the ID Workflow System interface. The top navigation bar is blue and contains 'LDAP Manager' and 'ID Workflow System' logos. On the right side of the navigation bar, there are 'Top Page' and 'Logout' buttons. Below the navigation bar, there is a dark blue bar with 'Login Authority: General', 'Organization/User Name', and language selection dropdowns for 'English' and 'Japan(GMT +0900)'. The main content area is divided into two sections. On the left, there is a sidebar with a 'Request Lookup' button and an 'Action' button (highlighted with a white arrow). Below the 'Action' button, there is a list of options: 'Request Create', 'Approval', and 'Approvers List'. On the right, there is a 'New Info' section with a horizontal line and text: 'Language selection can be changed in the list on the upper right. 言語選択は右上のリストで変更可能です.'

The default language setting is English, but you can switch to Japanese.

4. Select template

- Open the form "Application for AtomWork-Adv usage and change of registered information".

Request Create

Control No.	Template Name	Note
AT0001E	Application for MatNavi usage and change of registered information	
AT0002E	Application for AtomWork-Adv usage and change of registered information	

5. Fill out the form

- Enter the following information.
 - Organization: Enter Organization
 - Agree to terms of Service: Please check the link here for the Terms of Use and check the box for "I agree to the Terms of Use".
- After entering the information, click the "Submit" button.
- A confirmation screen will appear to confirm the entered information, so if there are no mistakes, please click the "Submit" button again.
- The application is now complete.
